

The background of the menu is a vibrant, cartoon-style illustration of a landscape. At the top, there are several white, fluffy clouds against a light blue sky. In the middle, three birds are flying in a V-formation. Below them, a large, multi-colored rainbow arches over a green hill. To the left, a blue city skyline with various buildings is visible behind a line of green trees. In the foreground, a winding white path leads up a green hill, with two small red rabbits hopping along it. The overall scene is bright and cheerful, suitable for a children's menu.
