

Gluten Free
Items on this menu do not contain gluten as an ingredient.

Please note that although the items on this menu do not contain gluten as an ingredient, they are prepared in a kitchen environment that handles various gluten containing products.

If you have a severe food allergy or intolerance, please ask to speak to a member of staff directly before ordering your meal.

There are pre-packaged gluten free options in the chiller, and a selection of cakes that do not contain gluten as an ingredient - please ask staff to let you know which.
